ASFINAG

Autobahnen- und Schnellstraßen-Finanzierungs-

Aktiengesellschaft

(incorporated with limited liability in the Republic of Austria)

€12,000,000,000

Guaranteed Euro Medium Term Note Programme

Guaranteed by the Republic of Austria

Under the Guaranteed Euro Medium Term Note Programme described in this Prospectus (the "Programme"), Autobahnen- und Schnellstraßen-Finanzierungs-Aktiengesellschaft ("ASFINAG" or the "Issuer"), subject to compliance with all relevant laws, regulations and directives (including but not limited to the laws of the United Kingdom and Austria (such as the Austrian Capital Markets Act or Austrian Stock Exchange Act)), may from time to time issue Guaranteed Euro Medium Term Notes (the "Notes") guaranteed by the Republic of Austria (the "Guarantor"). The aggregate nominal amount of Notes outstanding will not at any time exceed €12,000,000,000 (or the equivalent in other currencies).

This Prospectus comprises a base prospectus for the purposes of Article 5.4 of the Prospectus Directive. This Prospectus is issued to update, amend and restate, and supersedes, the prospectus dated 15 March 2012 relating to the Programme and has been approved by the Austrian Financial Market Authority (the "FMA") in its capacity as competent authority under the Austrian Capital Markets Act. Application has been made for the Programme to be admitted to (1) the "Amtlicher Handel" (Official Market) and the "Geregelter Freiverkehr" (Second Regulated Market) of the Wiener Börse AG (the "Vienna Stock Exchange") and for Notes issued under the Programme for the period of 12 months from the date of publication of this Prospectus to be admitted to trading on (1) the Official Market or the Second Regulated Market of the Vienna Stock Exchange and (2) the regulated market of the Luxembourg Stock Exchange (together, the "Markets"). The Markets are regulated markets for the purposes of Directive 2004/39/EC of the European Parliament and of the Council on markets in financial instruments. References in this Prospectus to the Notes being "listed" (and all related references) shall mean that such Notes have been admitted to trading on the Markets or on other regulated or unregulated markets or other stock exchanges. Unlisted Notes may be issued pursuant to the Programme. The relevant Final Terms (as defined herein) in respect of the issue of any Notes will specify whether or not such Notes will be admitted to trading on the Markets (or any other market and/or stock exchange).

Each Series (as defined herein) of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each a "temporary Global Note") or a permanent global note in bearer form (each a "permanent Global Note"). If the Global Notes are stated in the applicable Final Terms to be issued in new global note ("NGN") form, the Global Notes will be delivered on or prior to the original issue date of the relevant Tranche of Notes (as defined in "Description of the Programme – Method of Issue") to a common safekeeper (the "Common Safekeeper") for Euroclear Bank S.A./N.V. ("Euroclear") and Clearstream Banking, société anonyme ("Clearstream, Luxembourg"). Notes in registered form will be represented by registered certificates (each a "Certificate"), one Certificate being issued in respect of each Noteholder's entire holding of registered notes of one Series. Registered notes issued in global form will be represented by registered global certificates ("Global Certificates"). If a Global Certificate is held under the New Safekeeping Structure (the "NSS"), the Global Certificate will be delivered on or prior to the original issue date of the relevant Tranche to a Common Safekeeper for Euroclear and Clearstream, Luxembourg.

Global Notes which are not issued in NGN form ("Classic Global Notes" or "CGNs") and Global Certificates which are not held under the NSS will be deposited on the issue date of the relevant Tranche with a common depository on behalf of Euroclear and Clearstream, Luxembourg (the "Common Depository") or with Oesterreichische Kontrollbank Aktiengesellschaft ("Oesterreichische Kontrollbank") or a depository for Oesterreichische Kontrollbank.

The provisions governing the exchange of interests in Global Notes are described in "Overview of Provisions Relating to the Notes while in Global Form".

The Programme has been rated by Moody's Deutschland GmbH ("Moody's") and by Standard & Poor's Credit Market Services Europe Limited (Niederlassung Deutschland) ("Standard & Poor's"). The credit ratings included or referred to in this Prospectus will be treated for the purposes of Regulation (EC) No 1060/2009, on credit rating agencies (the "CRA Regulation") as having been issued by Moody's and Standard & Poor's. Moody's and Standard & Poor's are established in the European Union and registered under the CRA Regulation. Tranches of Notes will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will not necessarily be the same as the ratings assigned to the Programme. Whether or not a rating in relation to any Tranche of Notes will be treated as having been issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms. A list of rating agencies registered under the CRA Regulation can be found at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

This Prospectus contemplates that Notes may be admitted to trading on a regulated market or offered to the public in a Member State of the EEA. In the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area (the "EEA") or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under Directive 2003/71/EC (the "Prospectus Directive"), the minimum specified denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the Notes).

Prospective investors should have regard to the factors described under the section headed "Risk Factors" in this Prospectus. This Prospectus does not describe all of the risks of an investment in the Notes.

The accuracy of the information contained in this Prospectus does not fall within the scope of examination by the FMA under applicable Austrian law. The FMA examines the Prospectus only in respect of its completeness, coherence and comprehensibility pursuant to section 8a of the Austrian Capital Markets Act.

The Issuer has taken all reasonable care to ensure that the information contained in this Prospectus is, to the best of its knowledge, in accordance with the facts and contains no omission likely to affect its import.

This Prospectus has been prepared on the basis that, except to the extent sub-paragraph (ii) below may apply, any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in this Prospectus as completed by final terms in relation to the offer of those Notes may only do so (i) in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or to supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer, or (ii) if a prospectus for such offer has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State and (in either case) published, all in accordance with the Prospectus Directive, provided that any such prospectus has subsequently been completed by final terms which specify that offers may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State and such offer is made in the period beginning and ending on the dates specified for such purpose in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of such offer. The expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see “Documents Incorporated by Reference”).

No person has been authorised to give any information or to make any representation other than those contained in this Prospectus in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arrangers (as defined in “Description of the Programme”). Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied

or, if different, the date indicated in the document containing the same. This Prospectus may only be used for the purposes for which it has been published.

The distribution of this Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer, the Dealers and the Arrangers to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933 (the “Securities Act”) and include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. persons. For a description of certain restrictions on offers and sales of Notes and on distribution of this Prospectus, see “Subscription and Sale”.

This Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer or the Dealers to subscribe for, or purchase, any Notes.

To the fullest extent permitted by law, no Dealer or Arranger accepts any responsibility for the contents of this Prospectus or for any other statement, made or purported to be made by an Arranger or a Dealer or on its behalf in connection with the Issuer, the Guarantor or the issue and offering of the Notes. Each Arranger and each Dealer accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Prospectus or any such statement. The Arrangers and the Dealers have not separately verified the information contained in this Prospectus. None of the Dealers or the Arrangers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Prospectus. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arrangers or the Dealers that any recipient of this Prospectus or any other financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Prospectus and its purchase of Notes should be based upon such investigation as it deems necessary. None of the Dealers or the Arrangers undertakes to review the financial condition or affairs of the Issuer or the Guarantor during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arrangers.

In connection with the issue of any Tranche (as defined in “Description of the Programme - Method of Issue”), the Dealer or Dealers (if any) named as the stabilising manager(s) (the “Stabilising Manager(s)”) (or any person acting on behalf of any Stabilising Manager(s)) may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche and 60 days after the date of the allotment of the relevant Tranche. Any stabilisation action or over- allotment must be conducted by the relevant Stabilising Manager(s) (or any person acting on behalf of any Stabilising Manager(s)) in accordance with all applicable laws and rules (including but not limited to the laws of the United Kingdom and Austria (such as the Austrian Capital Markets Act or Austrian Stock Exchange Act)).

SUPPLEMENTARY PROSPECTUS

The Issuer (i) is obliged under Section 6 of the Austrian Capital Markets Act (the “CMA”) to produce a supplement to the Prospectus between the time when this Prospectus is approved and the final closing of an offer to the public or, as the case may be, the time when trading on a regulated market begins and (ii) has given an undertaking to the Dealers that, in each case, if at any time during the duration of the Programme there is a significant new factor, material mistake or inaccuracy relating to information contained in this Prospectus which is capable of affecting the assessment of any Notes to be offered or listed under this Prospectus whose inclusion in this Prospectus or removal is necessary for the purpose of allowing an investor to make an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer, and the rights attaching to the Notes, the Issuer shall prepare an amendment or supplement to this Prospectus or publish a replacement Prospectus for use in connection with any subsequent offering of the Notes and shall supply to each Dealer such number of copies of such supplement hereto as such Dealer may reasonably request.

RISK FACTORS

The Issuer is of the opinion that the following factors may affect its financial or other condition, its ability to fulfil its obligations under Notes issued under the Programme and its ability to pay interest, principal or other amounts on or in connection with any Notes. All of these factors are contingencies that may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer is of the opinion that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes, as a result of which the investors could lose some or all of their investment in the Notes, for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

Factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under or in connection with the Programme

Risk of the Republic of Austria not being able to meet guarantee obligations

ASFINAG benefits from a statutory guarantee by the Republic of Austria (rated "AA+" by Standard & Poor's, "Aaa" by Moody's, and "AAA" by Fitch Ratings Limited) which is contractually implemented by the Master Guarantee and is unconditional, direct and irrevocable. The risk of ASFINAG being unable to fulfil its financial obligations under the Notes is the risk that the Republic of Austria cannot meet this guarantee obligation.

Risk of the Issuer being affected by negative developments in the financial or economic environment or other risks inherent to the Issuer

Adverse developments in global economic and financial market conditions or within the legal framework of the Issuer's activities may have a negative impact on the performance of the Issuer. In particular, during 2008 and early 2009, global credit markets tightened significantly, initially prompted by concerns over the United States sub-prime mortgage crisis and the valuation and liquidity of mortgage-backed securities and other financial instruments, such as asset-backed commercial paper, and later spreading to various other areas. This has resulted in the failure and/or the nationalisation of several large financial institutions in the United States, the United Kingdom and other countries, including Austria. Additionally, credit risks may continue to be greater and more pervasive than previously thought. The functioning of financial markets has also become increasingly impaired and financial volatility has increased substantially. Many of the world's largest economies and financial institutions have since the escalation of the continuing financial debt crisis in 2010 faced extreme financial difficulty, including a decline in asset prices, liquidity problems and limited availability of credit. The economic uncertainty continued with multiple downgrades of sovereign credit ratings, particularly in the Eurozone. High levels of sovereign debt are negatively impacting growth in the global economy. It is uncertain how long these effects will last, or whether economic and financial trends will worsen. Current economic conditions may adversely affect the ability of the Issuer's distributors, customers, suppliers and service providers to pay for its products, or otherwise to buy necessary inventory or raw materials, and to perform their obligations under agreements with the Issuer, which could disrupt the Issuer's operations, and negatively impact its business and cash flow. Some of the Issuer's distributors, customers,

suppliers and service providers may be unable to pay their bills in a timely manner, or may even become insolvent, which could negatively impact the Issuer's business and results of operations. If the disruptions in the international capital markets experienced in 2008-2009 should recur, or other more severe disruptions occur and liquidity decreases, in particular in the course of the continuing debt crisis, the Issuer's business, financial conditions and operations could be adversely affected.

In particular, the following risks may affect the Issuer and its ability to pay principal, interest or other amounts:

Financial Risk

The Issuer's ability to borrow from banks or in the capital markets to meet its financial requirements is dependent on favourable market conditions. Financial crises in particular geographic regions, industries or economic sectors have led, in the past, and could lead in the future to sharp declines in the currencies, stock markets and other asset prices, in turn threatening affected financial systems and economies.

Overall funding costs may rise significantly due to investors requiring higher premiums for their bonds or due to increases in interest rates, which could adversely affect the Issuer.

As to the Issuer's foreign currency risk, volatile interest rate movements could adversely impact the valuation of the Issuer's existing liabilities, which could negatively affect the Issuer's financial results.

Third parties that owe the Issuer debts or other obligations may not pay or perform their obligations due to bankruptcy, illiquidity, operational failure or other reasons. The Issuer's results could be affected by such counterparty risk.

Sales Risk

Traffic frequency may fall as a result of a general economic crisis, which may have a negative impact on the Issuer's toll revenue.

Additionally, adverse economic conditions may impact other costs of the Issuer, such as construction costs.

Industry-specific and Regulatory Risk

The legal and regulatory requirements relating to construction have a marked influence on the cost to and capital of the Issuer due to the Issuer's involvement in high levels of construction. One important factor in this regard is the legal requirements relating to environmental protection measures. It is not anticipated that any further tightening of these requirements will be required.

Operational Risk (IT systems)

The Issuer is increasingly dependent on highly sophisticated information technology ("IT") systems. IT systems are vulnerable to a number of problems, such as computer virus infection, malicious hacking, physical damage to vital IT centres and software or hardware malfunctions. Additionally, further operational risks may stem from inadequate or failed internal processes, people and systems or from external events. Failure to manage such risks may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme.

Labour Force and Turnover Risk

The Issuer's success depends on the ability and experience of its senior management and specialist staff. The loss of key employees could have a material adverse effect on the Issuer's capabilities and performance levels.

Risks relating to building and maintenance activities of the Issuer

The Issuer is responsible for planning, construction and maintenance of Austria's high ranking road network. The costs related to these tasks can exceed those anticipated due to unforeseen circumstances such as new regulations regarding building activities, approval procedures taking longer than expected, additional planning modifications, unexpected soil properties or incidents like fire and natural disasters. The Issuer's results could be negatively affected by such higher costs.

Factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme

Risk of Notes not being a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Prospectus or any supplement thereto;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes may be purchased as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to an investor's overall portfolio. A potential investor should not invest in Notes unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Notes

Some Notes issued under the Programme may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Risk of Notes being subject to optional redemption by the Issuer

The Programme provides for certain optional redemption features, including Early Redemption, Redemption for Taxation Reasons and Redemption at the Option of the Issuer. An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market

value of those Notes generally will not rise substantially above the price at which they can be redeemed, which may be lower than may have been the case were the Notes not subject to such optional redemption. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

Risk of modification and waivers being implemented by defined majorities

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Risk of the adoption of a withholding tax system pursuant to the EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, each Member State is required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual or certain other persons in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland). The risk being that as a result, a holder of Notes may find that tax is withheld on payments made on such Notes.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. However, the Issuer is required, as provided in Condition 7(e) of the Notes, to maintain a Paying Agent in a Member State that is not obliged to withhold or deduct tax pursuant to the Directive.

Risk of change of law

The Terms and Conditions of the Notes are based on English law in effect as at the date of issue of the relevant Notes. No assurance can be given as to the impact on the relevant Notes or a holder thereof of any possible judicial decision or change to English law or administrative practice after the date of issue of the relevant Notes.

Risk of holding Notes having integral multiples of less than €100,000

Although Notes which are admitted to trading on a regulated market within the EEA or offered to the public in a Member State of the EEA in circumstances which require the publication of a prospectus under the Prospectus Directive are required to have a minimum Specified Denomination of €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes), it is possible that the Notes may be issued

in the denomination of €100,000 plus integral multiples of €1,000 in excess thereof (up to €199,000) (or the equivalent in another currency). In such a case, should definitive Notes be required to be issued, Noteholders who hold Notes in amounts that are not integral multiples of a Specified Denomination may not receive a definitive Note in respect of such holding and would need to purchase or sell, on or before the relevant Exchange Date, a principal amount of Notes such that their holding is an integral multiple of a Specified Denomination.

Risk of the prescription periods set out in the Conditions being different from prescription periods established under the applicable laws

This Prospectus provides that claims against the Issuer for payment in respect of the Notes and Coupons shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest). Claims against the Guarantor under the Master Guarantee shall be prescribed and become void unless made within three years. Noteholders should be aware that these prescription periods may differ from any prescription periods established under the applicable laws (English or Austrian law).

Risks related to the market generally

Set out below is a brief description of certain market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

Risk of illiquidity of secondary market generally for Notes

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Notes which may result in such Notes negatively affecting the potential investor's overall investment portfolio .

Risk of negative effects resulting from exchange rates and exchange controls

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "Investor's Currency") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency equivalent value of the principal payable on the Notes and (3) the Investor's Currency equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Risk of changes in interest rates

Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

Risk of credit ratings not reflecting all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Risk of legal considerations restricting certain investments

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Risk of suspension of trading

In the event that trading on any Market on which Notes may be listed is suspended, this may affect the ability of Noteholders to trade in the Notes.

Risk of rating downgrade

In the event that the rating assigned to the Issuer, the Guarantor, or any Series of Notes is downgraded by the relevant rating agency, this may affect the market value of Notes held by an investor.

Risk relating to the global economy and financial markets crisis

Since mid-2007, the global economy and financial markets have experienced extreme levels of instability. The instability has affected the “real economy” (that is, the non-financial sector) of both advanced and emerging economies. The instability has also led to substantial volatility in markets across asset classes, including (without limitation) stock markets, foreign exchange markets, fixed income markets and credit markets. There is a risk that the steps taken by various governments to ameliorate the global financial crisis will not be successful and that they will instead lead or contribute to a deeper and/or longer-lasting recession. The structure, nature and regulation of financial markets in the future may be fundamentally altered as a consequence of the global financial crisis, possibly in unforeseen ways. Further, there is a risk that similar or greater disruption may occur in the future for similar or other reasons. It is unclear how long the global recession will last and what the full extent of its impact will be. Economic prospects are subject to considerable uncertainty.

Prospective investors should ensure that they have sufficient knowledge and awareness of the global financial crisis and the economic situation and outlook as they consider necessary to enable them to make their own evaluation of the risks and merits of an investment in the Notes. In particular, prospective investors should take into account the considerable uncertainty as to how the global financial crisis and the wider economic situation will develop over time.

Interest Periods and Interest Rates:

The length of the interest periods for the Notes and the applicable interest rate or its method of calculation may differ from time to time or be constant for any Series. Notes may have a maximum interest rate, a minimum interest rate, or both. The use of interest accrual periods permits the Notes to bear interest at different rates in the same interest period.

Application has also been made to the Luxembourg Stock Exchange for Notes issued under the Programme to be admitted to the official list of the Luxembourg Stock Exchange and to be admitted to trading on the Luxembourg Stock Exchange's regulated market or such other exchange as otherwise specified in the relevant Final Terms and references to listing shall be construed accordingly. As specified in the relevant Final Terms, a Series of Notes may be unlisted.

Ratings:

The Programme has been rated by Moody's and Standard & Poor's. Tranches of Notes (as defined in "Description of the Programme") will be rated or unrated. The credit ratings included or referred to in this Prospectus will be treated for the purposes of the CRA Regulation as having been issued by Moody's and Standard & Poor's. Moody's and Standard & Poor's are established in the European Union and registered under the CRA Regulation. All Tranches of Notes outstanding as of the date of this Prospectus are rated "AA+" by Standard & Poor's Credit Market Services Europe Limited (Niederlassung Deutschland) and "Aaa" by Moody's Deutschland GmbH. Such rating will be specified in the relevant Final Terms. Such rating will not necessarily be the same as the rating assigned to Notes already issued under the Programme. Whether or not a rating in relation to any Tranche of Notes will be treated as having been issued by a credit rating agency established in the European Union and registered under the CRA Regulation will be disclosed in the relevant Final Terms. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued by a credit rating agency established in the European Union and registered under the CRA Regulation unless the rating is provided by a credit rating agency operating in the EU before 7 June 2010 which has submitted an application for registration in accordance with the CRA Regulation and such registration has not been refused. A rating is not a recommendation to buy, sell or hold Notes and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

Selling Restrictions:

The United States, the Public Offer Selling Restrictions under

the Prospectus Directive, the United Kingdom, Japan, France and Switzerland. See “Subscription and Sale”.

The Notes will be issued in compliance with U.S. Treas. Reg. §1.163- 5(c)(2)(i)(D) (the “D Rules”) unless (i) the relevant Final Terms state that Notes are issued in compliance with U.S. Treas. Reg. §1.163- 5(c)(2)(i)(C) (the “C Rules”) or (ii) the Notes are issued other than in compliance with the D Rules or the C Rules but in circumstances in which the Notes will not constitute “registration required obligations” under the United States Tax Equity and Fiscal Responsibility Act of 1982 (“TEFRA”), which circumstances will be referred to in the relevant Final Terms as a transaction to which TEFRA is not applicable.

TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions (the “Conditions” and each a “Condition”) that, subject to completion in accordance with the provisions of Part A of the relevant Final Terms, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these terms and conditions together with the relevant provisions of Part A of the Final Terms or (ii) these terms and conditions as so completed, shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in Part A of the relevant Final Terms. Those definitions will be endorsed on the definitive Notes or Certificates, as the case may be. References in the Conditions to “Notes” are to the Notes of one Series only, not to all Notes that may be issued under the Programme.

The Notes are issued pursuant to an amended and restated agency agreement dated 19 March 2013 between the Issuer, Deutsche Bank AG, London Branch as fiscal agent and the other agents named in it (as amended or supplemented from time to time, the “Agency Agreement”) and with the benefit of a Deed of Covenant dated 19 March 2013 executed by the Issuer, (as amended or supplemented from time to time, the “Deed of Covenant”) and the one or more Master Guarantee(s) (from time to time, the “Master Guarantee”) executed by the Guarantor. The fiscal agent, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the “Fiscal Agent”, the “Paying Agents” (which expression shall include the Fiscal Agent), the “Registrar”, the “Transfer Agents” and the “Calculation Agent(s)”. The Noteholders (as defined below) and the holders of the interest coupons (the “Coupons”) relating to interest bearing Notes in bearer form and, where applicable in the case of such Notes, talons for further Coupons (the “Talons”) (the “Couponholders”) are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

As used in these Conditions “Tranche” means Notes which are identical in all respects.

Copies of the Agency Agreement, the Deed of Covenant and the Master Guarantee are available for inspection at the specified offices of each of the Paying Agents, the Registrar and the Transfer Agents.

1 Form, Denomination and Title

The Notes are issued in bearer form (“Bearer Notes”, which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form (“Registered Notes”) or in bearer form exchangeable for Registered Notes (“Exchangeable Bearer Notes”) in each case in the Specified Denomination(s) shown hereon provided that in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive, the minimum Specified Denomination shall be €100,000 (or its equivalent in any other currency as at the date of issue of the relevant Notes).

All Registered Notes shall have the same Specified Denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same Specified Denomination as the lowest denomination of Exchangeable Bearer Notes.

This Note is a Fixed Rate Note, a Floating Rate Note or a combination of any of the foregoing, depending upon the Interest and Redemption/Payment Basis shown hereon.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached.

Registered Notes are represented by registered certificates (“Certificates”) and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the “Register”). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes, whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, “Noteholder” means the bearer of any Bearer Note or the person in whose name a Registered Note is registered (as the case may be), “holder” (in relation to a Note, Coupon or Talon) means the bearer of any Bearer Note, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them hereon, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) Exchange of Exchangeable Bearer Notes

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same nominal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one Specified Denomination may not be exchanged for Bearer Notes of another Specified Denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) Transfer of Registered Notes

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate, (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entries on the Register will be made subject to the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Noteholders. A copy of the current regulations will be made available by the Registrar to any Noteholder upon request.

(c) Exercise of Options or Partial Redemption in Respect of Registered Notes

In the case of an exercise of an Issuer’s or Noteholders’ option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not

redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent. In the case of a transfer of Registered Notes to a person who is already a holder of Registered Notes, a new Certificate representing the enlarged holding shall only be issued against surrender of the Certificate representing the existing holding.

(d) **Delivery of New Certificates**

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within three business days of receipt of the request for exchange, form of transfer or Exercise Notice (as defined in Condition 6(e)) and surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Transfer Agent or of the Registrar (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the relevant Agent (as defined in the Agency Agreement) the costs of such other method of delivery and/or such insurance as it may specify. In this Condition (d), “business day” means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar (as the case may be).

(e) **Exchange Free of Charge**

Exchange and transfer of Notes and Certificates on registration, transfer, partial redemption or exercise of an option shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) **Closed Periods**

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(d), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

3 Guarantee and Status

(a) **Guarantee**

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Notes and Coupons. Its obligations in that respect (the “Guarantee”) are contained in the Master Guarantee.

(b) **Status of Notes and Guarantee**

The Notes and the Coupons relating to them constitute (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The payment obligations of the Issuer under the Notes and the Coupons relating to them and of the Guarantor under the Master Guarantee shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all other unsecured and unsubordinated indebtedness and monetary obligations of the Issuer and the Guarantor respectively, present and future.

4 Negative Pledge

(a) **Restriction**

So long as any of the Notes or Coupons remain outstanding (as defined in the Agency Agreement) the Issuer will not create any charge on its present or future property, assets or revenues to secure obligations arising from note issues (including any future guarantees given in respect of such obligations) without at the same time or prior thereto securing the Notes equally and rateably therewith or providing such other security for the Notes as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement). As used in this Condition 4, “note issues” means any indebtedness, present or future, represented by notes or other securities which are, or are to be, quoted, listed or traded on any stock exchange or over-the-counter or securities market.

5 Interest and other Calculations

(a) **Interest on Fixed Rate Notes**

Each Fixed Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition (e).

(b) **Interest on Floating Rate Notes**

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. The amount of interest payable shall be determined in accordance with Condition (e). Such Interest Payment Date(s) is/are either shown hereon as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown hereon, Interest Payment Date shall mean each date which falls the number of months or other period shown hereon as the Interest Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be

the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(iii) *Rate of Interest*

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon.

(A) ISDA Determination

Where ISDA Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (A), "ISDA Rate" for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (x) the Floating Rate Option is as specified hereon
- (y) the Designated Maturity is a period specified hereon and
- (z) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (A), "Floating Rate", "Calculation Agent", "Floating Rate Option", "Designated Maturity", "Reset Date" and "Swap Transaction" have the meanings given to those terms in the ISDA Definitions.

(B) Screen Rate Determination

- (x) Where Screen Rate Determination is specified hereon as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation

Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (y) If the Relevant Screen Page is not available or if, sub-paragraph (x)(1) applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (x)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Accrual Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent.
- (z) If paragraph (y) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest

Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

(c) **Accrual of Interest**

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).

(d) **Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding**

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (b) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified hereon, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the countries of such currency.

(e) **Calculations**

The amount of interest payable per Calculation Amount in respect of any Note for any Interest Accrual Period shall be equal to the product of the Rate of Interest, the Calculation Amount specified hereon and the Day Count Fraction for such Interest Accrual Period, unless an Interest Amount (or a formula for its calculation) is applicable to such Interest Accrual Period, in which case the amount of interest payable per Calculation Amount in respect of such Note for such Interest Accrual Period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable per Calculation Amount in respect of such Interest Period shall be the sum of the Interest Amounts payable in respect of each of those Interest Accrual Periods. In respect of any other period for which interest is required to be calculated, the provisions above shall apply save that the Day Count Fraction shall be for the period for which interest is required to be calculated.

(f) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts**

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and

cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange or other relevant authority so require, such exchange or other relevant authority as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank markets (or, if appropriate, money, swap or over-the-counter index options markets) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such markets) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

6 Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified hereon at its Final Redemption Amount .

(b) Early Redemption

The Early Redemption Amount payable in respect of any Note upon redemption of such Note pursuant to Condition 6(c) or upon it becoming due and payable as provided in Condition 10, shall be the Final Redemption Amount unless otherwise specified hereon.

(c) Redemption for Taxation Reasons

The Notes may be redeemed at the option of the Issuer in whole, but not in part, on any Interest Payment Date (if this Note is a Floating Rate Note) or, at any time (if this Note is not a Floating Rate Note), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable), at their Early Redemption Amount (as described in Condition 6(b) above) (together with interest accrued to the date fixed for redemption), if (i) the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of the Republic of Austria or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date of the agreement to issue the first Tranche of the Notes, and (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Before the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Fiscal Agent a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

(d) Redemption at the Option of the Issuer

If Call Option is specified hereon, the Issuer may, on giving not less than 15 nor more than 30 days' irrevocable notice to the Noteholders (or such other notice period as may be specified hereon) redeem all or, if so provided, some, of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for

redemption. Any such redemption must relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed specified hereon and no greater than the Maximum Redemption Amount to be redeemed specified hereon.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption, the notice to Noteholders shall also contain the certificate numbers of the Bearer Notes, or in the case of Registered Notes shall specify the nominal amount of Registered Notes drawn and the holder(s) of such Registered Notes, to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange or other relevant authority requirements. So long as the Notes are listed on the Vienna Stock Exchange and the rules of the Vienna Stock Exchange so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in Austria a notice specifying the aggregate nominal amount of Notes outstanding and a list of the Notes drawn for redemption but not surrendered.

(e) **Redemption at the Option of Noteholders**

If Put Option is specified hereon, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than 15 nor more than 30 days' notice to the Issuer (or such other notice period as may be specified hereon) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("Exercise Notice") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the notice period. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(f) **Purchases**

The Issuer and any of its subsidiaries may at any time purchase Notes (provided that all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price.

(g) **Cancellation**

All Notes purchased by or on behalf of the Issuer or its subsidiaries may be surrendered for cancellation, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Coupons and all unexchanged Talons to the Fiscal Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer and the Guarantor in respect of any such Notes shall be discharged.

7 Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a Bank. "Bank" means a bank in the principal financial centre for such currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) Registered Notes

(i) Payments of principal in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Transfer Agents or of the Registrar and in the manner provided in paragraph (ii) below. Where and for so long as the Registered Notes are listed on the Luxembourg Stock Exchange, such payments of principal shall only be made against presentation and surrender of the relevant Certificates at the specified office of the Transfer Agent in Luxembourg.

(ii) Interest on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "Record Date"). Payments of interest on each Registered Note shall be made in the relevant currency by cheque drawn on a bank and mailed to the holder (or to the first-named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a bank.

(c) Payments in the United States

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments Subject to Fiscal Laws

All payments are subject in all cases to any applicable laws, regulations and directives (including but not limited to the laws of the United Kingdom and Austria (such as the Austrian Capital Markets Act or Austrian Stock Exchange Act)), but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents, the Registrar, the Transfer Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Registrar, Transfer Agents and the Calculation Agent(s) act solely as

agents of the Issuer and as far as payments under the Master Guarantee are concerned, the Guarantor and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Registrar, any Transfer Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes, (iv) one or more Calculation Agent(s) where the Conditions so require, (v) Paying Agents having specified offices in at least two major European cities (including Vienna) so long as the Notes are listed on the Vienna Stock Exchange, (vi) such other agents as may be required by any other stock exchange on which the Notes may be listed and (vii) a Paying Agent with a specified office in a European Union member state that will not be obliged to withhold or deduct tax pursuant to any law implementing European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN council meeting of 26-27 November 2000 with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders.

(f) Unmatured Coupons and unexchanged Talons

- (i) Upon the due date for redemption, Bearer Notes which comprise Fixed Rate Notes, should be surrendered for payment together with all unmatured Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) Upon the due date for redemption of any Bearer Note comprising a Floating Rate Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be.

Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) **Talons**

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) **Non-Business Days**

If any date for payment in respect of any Note or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Financial Centres" hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8 Taxation

All payments of principal and interest by or on behalf of the Issuer or the Guarantor in respect of the Notes and the Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the Republic of Austria or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer or, as the case may be, the Guarantor shall pay such additional amounts as shall result in receipt by the Noteholders and the Couponholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to:

- (a) Bearer Notes or Coupons presented for payment:
 - (i) in the Republic of Austria; or
 - (ii) where such deduction would not be required if the holder or any person acting on his behalf had presented the requested form or certificate or had made the requested declaration of non-residence or similar claim for exemption upon the presentation or making of which that holder would have been able to avoid such deduction; or
 - (iii) by or on behalf of a holder who is liable to such taxes or duties in respect of the Notes or Coupons by reason of his having some connection with the Republic of Austria other than the mere holding of such Note or Coupon; or
 - (iv) more than 30 days after the Relevant Date endorsed on the Notes except to the extent that the holder thereof would have been entitled to additional amounts on presenting the same for payment on the expiry of such period of 30 days; or

- (v) where such deduction is imposed on a payment to an individual and is required to be made pursuant to any law implementing European Council Directive 2003/48/EC or any other Directive implementing the conclusions of ECOFIN council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (vi) presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the Notes or Coupons to another Paying Agent in a Member State of the European Union.
- (b) Registered Notes:
- (i) if the Certificate in respect of such Registered Note is required to be surrendered and is surrendered in the Republic of Austria; or
 - (ii) where such deduction would not be required if the holder or any person acting on his behalf had presented the requested form or Certificate or had made the requested declaration of non-residence or similar claim for exemption upon the presentation or making of which that holder would have been able to avoid such deduction; or
 - (iii) to a holder (or to a third party on behalf of a holder) where such holder is liable to such taxes or duties in respect of such Registered Note by reason of his having some connection with the Republic of Austria, other than the mere holding of such Registered Note or the receipt of the relevant payment in respect thereof; or
 - (iv) if the Certificate in respect of such Registered Note is required to be surrendered and is surrendered more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to additional amounts on presenting the same for payment on the expiry of such period of 30 days; or
 - (v) where such deduction is imposed on a payment to an individual and is required to be made pursuant to any law implementing European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive.

As used in these Conditions, “Relevant Date” in respect of any Note or Coupon means the date on which payment in respect thereof first becomes due, but if the full amount of the money payable has not been received by the Fiscal Agent on or prior to such due date, it means the date on which, the full amount of such money having been so received, notice to that effect shall have been given to Noteholders in accordance with Condition 14. References in these Conditions to “principal” shall be deemed to include Final Redemption Amounts, Early Redemption Amounts and Optional Redemption Amounts and any premium payable in respect of the Notes and any reference to “principal” and/or “interest” shall be deemed to include any additional amounts which may be payable under this Condition 8 or any undertaking given in addition to or in substitution for it under the Agency Agreement.

9 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

Claims against the Guarantor for payments under the Master Guarantee shall be prescribed and become void unless made within three years from the appropriate Relevant Date in respect of them.

10 Events of Default

If any of the following events (“Events of Default”) occurs, the holder of any Note may give written notice to the Fiscal Agent at its specified office that such Note is immediately repayable, whereupon the Early Redemption Amount of such Note together (if applicable) with accrued interest to the date of payment shall become immediately due and payable:

(a) **Non-Payment**

default is made by the Issuer or the Guarantor for more than 30 days in the payment of principal or interest due in respect of any of the Notes or

(b) **Breach of Other Obligations**

11 Meeting of Noteholders and Modifications

(a) Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of any of these Conditions. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority (being more than 50 per cent.) in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest or Redemption Amount is shown hereon, to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, or (viii) to modify or cancel the Master Guarantee, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in nominal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders.

(b) Modification of Agency Agreement

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

12 Replacement of Notes, Certificates, Coupons and Talons

If a Note, Certificate, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange or other relevant authority regulations, at the specified office of the Fiscal Agent (in the case of Bearer Notes, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent or Transfer Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Coupons or Talons must be surrendered before replacements will be issued.

13 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes having the same terms and conditions as the Notes (so that, for the avoidance of doubt, references in these Conditions to “Issue Date” shall be to the first issue date of the Notes) and so that the same shall be consolidated and form a single series with such Notes, and references in these Conditions to “Notes” shall be construed accordingly.

14 Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*). So long as the Notes are listed on the Vienna Stock Exchange and the rules of that exchange so require, such notices will be published in the *Amtsblatt* to the *Wiener Zeitung* (or otherwise as provided by the relevant Austrian laws) and so long as the Notes are listed on the Luxembourg Stock Exchange and the rules of that exchange so require, such notices will be published in a daily newspaper of general circulation in Luxembourg (which is expected to be the *Luxemburger Wort*) or on the website of the Luxembourg Stock Exchange (www.bourse.lu). If Notes are listed on another stock exchange, such notices will be published in a newspaper specified for publication of notices by such stock exchange if the rules of that exchange require such a publication. If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15 Currency Indemnity

Any amount received or recovered in a currency other than the currency in which payment under the relevant Note or Coupon is due (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or otherwise) by any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer or the Guarantor shall only constitute a discharge to the Issuer or the Guarantor, as the case may be, to the extent of the amount in the currency of payment under the relevant Note or Coupon that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the amount received or recovered is less than the amount expressed to be due to the recipient under any Note or Coupon, the Issuer, failing whom the Guarantor, shall indemnify it against any loss sustained by it as a result. In any event, the Issuer, failing whom the Guarantor, shall indemnify the recipient against the cost of making any such purchase. For the purposes of this Condition, it shall be sufficient for the Noteholder or Couponholder, as the case may be, to demonstrate that it would have suffered a loss had an actual purchase been made. These indemnities constitute a separate and independent obligation from the Issuer’s and the Guarantor’s other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Noteholder or Couponholder and shall continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or Coupon or any other judgment or order.

16 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999.

17 Governing Law and Jurisdiction

(a) Governing Law

The Notes, the Coupons, the Talons, the Deed of Covenant and any non-contractual obligations arising out of or in connection with them are governed by, and shall be construed in accordance with English law.

The Master Guarantee of the Republic of Austria is governed by, and shall be construed in accordance with Austrian law.

(b) Jurisdiction

The Issuer hereby irrevocably submits, for the exclusive benefit of each of the holders of the Notes, Coupons and Talons, to the jurisdiction of the courts of England and the competent courts of the Republic of Austria (being at the date hereof the courts of Vienna) for all purposes in relation to the Notes, the Coupons and the Talons provided that such agreement and submission shall not prevent any such proceeding being taken in any other competent courts (except that the reference to such other courts shall not include any courts whose inclusion would otherwise render ineffective the Issuer and the Guarantor's agreement and submission to the jurisdiction of the English courts). Any claims raised by or against Austrian consumers shall be subject to the statutory jurisdiction set forth by the Austrian Consumer Protection Act and the Jurisdiction Act (*Jurisdiktionsnorm*).

The Issuer hereby irrevocably waives any claim that any legal action or proceedings brought in connection with the Notes, Coupons and Talons in such courts has been brought in an inconvenient forum and, to the extent that it is legally able to do so, the Issuer waives irrevocably any immunity to which it might otherwise be entitled in proceedings brought before such courts and consents irrevocably and generally in respect of any proceedings arising out of or in connection with the Notes, Coupons and Talons to the giving of any relief or the issue of any process in the English courts in connection with such proceedings including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use, except for the equipment of embassies of the Republic of Austria) of any judgment which may be given in such proceedings.

The Guarantor has irrevocably submitted in the Master Guarantee to the jurisdiction of the competent courts of the Republic of Austria (being at the date hereof the courts of Vienna) for all purposes in connection with the Master Guarantee, provided that such submission shall not prevent any such proceedings from being taken in any other competent courts.

The Guarantor hereby waives any claim that any legal action or proceedings brought in such courts has been brought in an inconvenient forum, and to the extent that it is legally able to do so, the Guarantor has irrevocably waived any immunity to which it might otherwise be entitled in proceedings brought before such courts. The Guarantor also hereby consents generally, in respect of any proceedings arising out of or in connection with this Master Guarantee, to the giving of any relief or to the issue of any process in the competent courts of the Republic of Austria in connection with such proceedings including, without limitation, with regard to the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use except for certain minor property such as the equipment of embassies) of any judgment which may be given in such proceedings.

(c) **Service of Process**

The Issuer appoints the Ambassador for the time being of the Republic of Austria to the Court of St. James's as their authorised agent for the receipt of any writ, judgment or other process in connection with any legal action or proceedings in England and agree that any writ, judgment or other process shall be sufficiently and effectively served on each of them if delivered to the said Ambassador at 18 Belgrave Mews West, London SW1X 8HU, United Kingdom or in any other manner permitted by law.

OVERVIEW OF PROVISIONS RELATING TO THE NOTES WHILE IN GLOBAL FORM

1 Initial Issue of Notes

If the Global Notes or the Global Certificates are stated in the applicable Final Terms to be issued in NGN form or to be held under the NSS (as the case may be), the Global Notes or the Global Certificates will be delivered on or prior to the original issue date of the Tranche to a Common Safekeeper. Delivering the Global Notes or the Global Certificates to the Common Safekeeper does not necessarily mean that the Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue, or at any or all times during their life. Such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Global notes which are issued in CGN form and Global Certificates which are not held under the NSS may be deposited on or prior to the original issue date of the Tranche with a Common Depository.

If the Global Note is a CGN, upon the initial deposit of a Global Note with a common depository for Euroclear and Clearstream, Luxembourg or registration of Registered Notes in the name of any nominee for Euroclear and Clearstream, Luxembourg and delivery of the relative Global Certificate to the Common Depository, Euroclear or Clearstream, Luxembourg will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid. If the Global Note is an NGN, the nominal amount of the Notes shall be the aggregate amount from time to time entered in the records of Euroclear or Clearstream, Luxembourg. The records of such clearing system shall be conclusive evidence of the nominal amount of Notes represented by the Global Note and a statement issued by such clearing system at any time shall be conclusive evidence of the records of the relevant clearing system at that time.

Notes that are initially deposited with the Common Depository may also be credited to the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, Notes that are initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

2 Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg or Oesterreichische Kontrollbank or any other Alternative Clearing System as the holder of a Note represented by a Global Note or a Global Certificate must look solely to Euroclear, Clearstream, Luxembourg or any such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, and in relation to all other rights arising under the Global Notes or Global Certificates, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, or any such Alternative Clearing System (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note or Global Certificate and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note or the holder of the underlying Registered Notes, as the case may be, in respect of each amount so paid.

3 Exchange

3.1 Temporary Global Notes

Each temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date:

- (i) if the relevant Final Terms indicate that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “Description of the Programme-Selling Restrictions”), in whole, but not in part, for the Definitive Notes defined and described below; and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a permanent Global Note or, if so provided in the relevant Final Terms, for Definitive Notes.

Each temporary Global Note that is also an Exchangeable Bearer Note will be exchangeable for Registered Notes in accordance with the Conditions in addition to any permanent Global Note or Definitive Notes for which it may be exchangeable and, before its Exchange Date, will also be exchangeable in whole or in part for Registered Notes only.

3.2 Permanent Global Notes

Each permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under paragraph 3.4 below, in part for Definitive Notes or, in the case of (i) below, Registered Notes:

- (i) if the permanent Global Note is an Exchangeable Bearer Note, by the holder giving notice to the Fiscal Agent of its election to exchange the whole or a part of such Global Note for Registered Notes; and
- (ii) otherwise, (1) if the permanent Global Note is held on behalf of Euroclear or Clearstream, Luxembourg or an Alternative Clearing System and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or in fact does so or (2) if principal in respect of any Notes is not paid when due, by the holder giving notice to the Fiscal Agent of its election for such exchange.

A Noteholder who holds a principal amount of less than the minimum Specified Denomination will not receive a definitive Note in respect of such holding and would need to purchase a principal amount of Notes such that it holds an amount equal to one or more Specified Denominations.

3.3 Permanent Global Certificates

If the Final Terms state that the Notes are to be represented by a permanent Global Certificate on issue, the following will apply in respect of transfers of Notes held in Euroclear or Clearstream, Luxembourg or an Alternative Clearing System. These provisions will not prevent the trading of interests in the Notes within a clearing system whilst they are held on behalf of such clearing system, but will limit the circumstances in which the Notes may be withdrawn from the relevant clearing system.

Transfers of the holding of Notes represented by any Global Certificate pursuant to Condition 2(b) may only be made in part:

- (i) if the relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so or
- (ii) if principal in respect of any Notes is not paid when due or

(iii) with the consent of the Issuer

provided that, in the case of the first transfer of part of a holding pursuant to paragraph 3.3 (i) or 3.3 (ii) above, the Registered Holder has given the Registrar not less than 30 days' notice at its specified office of the Registered Holder's intention to effect such transfer.

3.4 Partial Exchange of Permanent Global Notes

For so long as a permanent Global Note is held on behalf of a clearing system and the rules of that clearing system permit, such permanent Global Note will be exchangeable in part on one or more occasions (i) for Registered Notes if the permanent Global Note is an Exchangeable Bearer Note and the part submitted for exchange is to be exchanged for Registered Notes, or (ii) for Definitive Notes if principal in respect of any Notes is not paid when due.

3.5 Delivery of Notes

If the Global Note is a CGN, on or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a temporary Global Note exchangeable for a permanent Global Note, deliver, or procure the delivery of, a permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes or Registered Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes and/or Certificates, as the case may be or if the Global Note is an NGN, the Issuer will procure that details of such exchange be entered pro rata in the records of the relevant clearing system. In this Prospectus, "Definitive Notes" means, in relation to any Global Note, the definitive Bearer Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and a Talon). Definitive Notes will be security printed and Certificates will be printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

3.6 Exchange Date

"Exchange Date" means, in relation to a temporary Global Note, the day falling after the expiry of 40 days after its issue date and, in relation to a permanent Global Note, a day falling not less than 60 days, or in the case of an exchange for Registered Notes five days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

4 Amendment to Conditions

The temporary Global Notes and permanent Global Notes and Global Certificates contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Prospectus. The following is an overview of certain of those provisions:

4.1 Payments

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a permanent Global Note or for Definitive Notes or Registered Notes is improperly withheld or refused. Payments on any temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note in CGN Form will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such purpose. If the Global Note is a CGN, a record of each payment so made will be endorsed on each Global Note, which endorsement will be *prima facie* evidence that such payment has been made in respect of the Notes. If the Global Note is an NGN or if the Global Certificate is held under the NSS, the Issuer shall procure that details of each such payment shall be entered *pro rata* in the records of the relevant clearing system and in the case of payments of principal, the nominal amount of the Notes recorded in the records of the relevant clearing system and represented by the Global Note or the Global Certificate will be reduced accordingly. Payments under an NGN will be made to its holder. Each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries in the records of the relevant clearing system shall not affect such discharge. For the purpose of any payments made in respect of a Global Note, the relevant place of presentation shall be disregarded in the definition of "business day" set out in Condition 7(h) (*Non-Business Days*).

All payments in respect of Notes represented by a Global Certificate will be made to, or to the order of, the person whose name is entered on the Register at the close of business on the Clearing System Business Day immediately prior to the date for payment, where Clearing System Business Day means Monday to Friday inclusive except 25 December and 1 January.

4.2 Prescription

Claims against the Issuer in respect of Notes that are represented by a permanent Global Note will become void unless it is presented for payment within a period of 10 years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 8).

4.3 Meetings

For the purposes of any quorum requirements of a meeting of Noteholders and, at any such meeting, the holder of a permanent Global Note shall be treated as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged. (All holders of Registered Notes are entitled to one vote in respect of each integral currency unit of the Specified Currency of the Notes, whether or not represented by a Global Certificate.)

4.4 Cancellation

Cancellation of any Note represented by a permanent Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant permanent Global Note.

4.5 Purchase

Notes represented by a permanent Global Note may only be purchased by the Issuer or any of the Issuer's subsidiaries if they are purchased together with the rights to receive all future payments of interest thereon.

4.6 Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) or any other Alternative Clearing System (as the case may be).

4.7 Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a permanent Global Note may be exercised by the holder of the permanent Global Note giving notice to the Fiscal Agent within the time limits relating to the deposit of Notes with a Paying Agent set out in the Conditions substantially in the form of the notice available from any Paying Agent, except that the notice shall not be required to contain the serial numbers of the Notes in respect of which the option has been exercised, and stating the nominal amount of Notes in respect of which the option is exercised and at the same time, where the permanent Global Note is a CGN, presenting the permanent Global Note to the Fiscal Agent, or to a Paying Agent acting on behalf of the Fiscal Agent, for notation. Where the Global Note is an NGN or where the Global Certificate is held under the NSS, the Issuer shall procure that details of such exercise shall be entered pro rata in the records of the relevant clearing system and the nominal amount of the Notes recorded in those records will be reduced accordingly.

4.8 NGN Nominal Amount

Where the Global Note is an NGN, the Issuer shall procure that any exchange, payment, cancellation, exercise of any option or any right under the Notes, as the case may be, in addition to the circumstances set out above, shall be entered in the records of the relevant clearing systems and upon any such entry being made, in respect of payments of principal, the nominal amount of the Notes represented by such Global Note shall be adjusted accordingly.

4.9 Events of Default

Each Global Note provides that the holder may cause such Global Note, or a portion of it, to become due and repayable in the circumstances described in Condition 10 by stating in the notice to the Fiscal Agent the nominal amount of such Global Note that is becoming due and repayable. If principal in respect of any Note is not paid when due, the holder of a Global Note or Registered Notes represented by a Global Certificate may elect for direct enforcement rights against the Issuer under the terms of a Deed of Covenant executed as a deed by the Issuer on 19 March 2013 to come into effect in relation to the whole or a part of such Global Note or one or more Registered Notes in favour of the persons entitled to such part of such Global Note or such Registered Notes, as the case may be, as accountholders with a clearing system. Following any such acquisition of direct rights, the Global Note or, as the case may be, the Global Certificate and the corresponding entry in the register kept by the Registrar will become void as to the specified portion of Registered Notes, as the case may be. However, no such election may be made in respect of Notes represented by a Global Certificate unless the transfer of the whole or a part of the holding of Notes represented by that Global Certificate shall have been improperly withheld or refused.

4.10 Notices

So long as any Notes are represented by a Global Note and such Global Note is held on behalf of a clearing system, notices to the holders of Notes of that Series may be given by delivery of the relevant notice to that clearing system for communication by it to entitled accountholders in substitution for publication as required by the Conditions or by delivery of the relevant notice to the holder of the Global Note, except that so long as the Notes are listed on (i) the Vienna Stock Exchange and the rules of that exchange so require, notices shall also be published in the *Amtsblatt* to the *Wiener Zeitung* or otherwise as provided by relevant Austrian laws or (ii) the Luxembourg Stock Exchange and the rules of that exchange so require, notices shall be published in *the Luxemburger Wort* or on the internet site of the Luxembourg Stock Exchange (www.bourse.lu) or (iii) any other stock exchange and the rules of that stock exchange so require, notices shall also be published in the respective newspaper specified by that exchange.

USE OF PROCEEDS

The net proceeds from each issue of Notes by the Issuer under the Programme will be applied by the Issuer for its statutory financing purposes, which include financing, planning, construction, maintenance, tolling and operating of Austria's high ranking road network.

GUARANTEE BY THE REPUBLIC OF AUSTRIA AND METHOD OF ITS USE FOR AN ISSUE OF NOTES

All Notes issued under the Programme will be unconditionally and irrevocably guaranteed by the Republic of Austria. The guarantee of the Republic of Austria in this respect is contained in the Master Guarantee dated 19 March 2013 issued pursuant to Article II Sec 5 ASFINAG Act, Federal Law Gazette No. 1982/591, as amended and the relevant Austrian annual budget act for the year 2013, Federal Law Gazette I No. 103/2012 (the "Budget Act"). The Master Guarantee is subject to and limited by the maximum threshold (the "Guarantee Allowance") as authorised by the relevant Budget Act. Notes shall only be issued under the Programme in circumstances where the Republic of Austria's obligations under the Master Guarantee in respect of such Notes will not exceed the Guarantee Allowance for the relevant budget year and in circumstances where such Notes shall benefit from the relevant Master Guarantee in accordance with the provisions of the relevant Budget Act and the Act on Federal Budgets, Federal Law Gazette 1986/213, as amended. The Master Guarantee is governed by and construed in accordance with Austrian law.

When the Issuer decides to issue Notes under the Programme, it must inform the Ministry of Finance and quote the terms of the proposed issue. Prior to the closing date of such issue, the Ministry of Finance will confirm to the Fiscal Agent that the proposed issue meets all preconditions and is covered by the Master Guarantee. Once such confirmation has been obtained, the Fiscal Agent will be in a position to countersign the Global Notes provided by the Issuer and the Master Guarantee will thereby become effective for such issue.

In the event that the Issuer defaults upon any of its payment obligations under the Notes, the holder of any Note will be able to enforce the Master Guarantee by filing a claim directly against the Guarantor, and will not be required to notify or proceed against the Issuer prior to filing such a claim against the Guarantor.

The Guarantor has no explicit veto rights under the Master Guarantee in relation to modifications or variations of the rights of the Noteholders. However, under the applicable Austrian law such modifications or variations which increase or aggravate the Guarantor's obligations will only be effective towards the Guarantor with its written consent.

Copies of the Master Guarantee will be available for inspection by Noteholders at the specified office of each Paying Agent.

The Master Guarantee in respect of Notes issued under the Programme from and including 1 January 2013 up to and including 31 December 2013 was signed on 19 March 2013 following the publication of the Budget Act under the authority granted under Article VIII paragraph 1 No. 4 of the Budget Act.

The Master Guarantee, dated 19 March 2013, is reproduced in its entirety in the Schedule hereto and covers the financial year 2013. In the event of any significant change to the form of the Master Guarantee, the Issuer will prepare and publish a supplement to this Prospectus.

ASFINAG

History and Overview

The Infrastructure Financing Act 1997 (Federal Law Gazette I 113/1997) (the “Infrastructure Financing Act”) introduced a complete restructuring of the administration of Austria’s trunk road network and in doing so assigned a key role to Autobahnen- und Schnellstraßen-Finanzierungs-Aktiengesellschaft (“ASFINAG”), a company limited by shares incorporated with unlimited duration in 1982. ASFINAG is the parent company of the Group. In accordance with the terms of Article II section 1 of the ASFINAG Act, the Republic of Austria owns 100 per cent. of the shares in ASFINAG. The registered office of ASFINAG is Rotenturmstraße 5-9, A-1011 Vienna, P.O. Box 983 and the telephone number is +43-050108-0.

ASFINAG’s operational business is conducted in close relationship with the Austrian Ministry for Transport, Innovation and Technology (the “Ministry”). ASFINAG’s budgeting proposal for the following business year is submitted to the Ministry and confirmed by the Ministry. As the Republic of Austria is the single owner of ASFINAG, the majority of its Supervisory Board consists of representatives of the Ministry. All business developments and any potential risk factors are regularly reported to the Supervisory Board.

The Republic of Austria is the sole shareholder of ASFINAG. The Republic of Austria may exercise its shareholder’s rights in accordance with Austrian law.

ASFINAG’s defined business area covers:

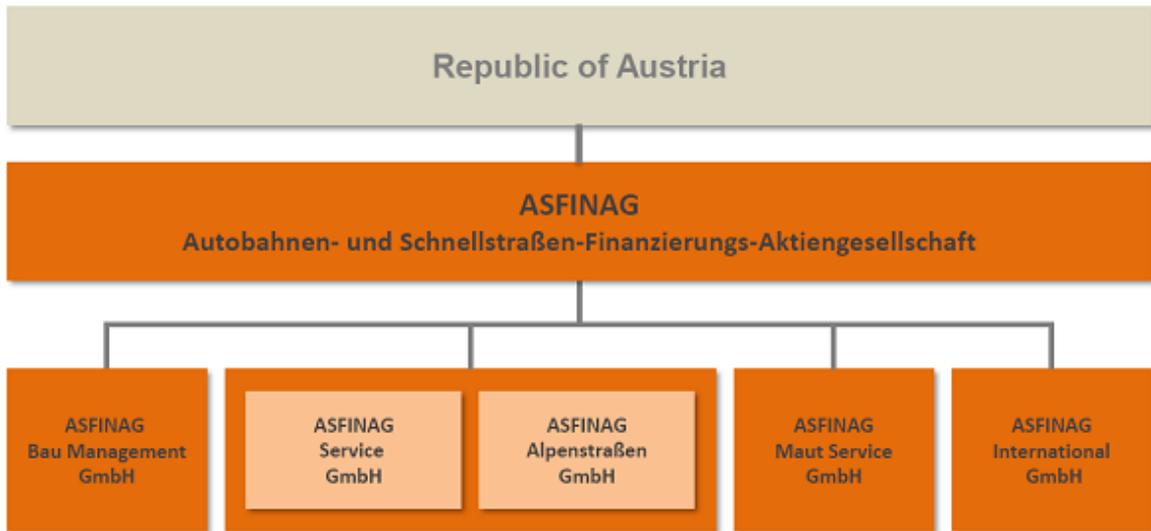

- the financing, planning, construction, maintenance and operation of Austria’s high-ranking road network;
- the collection of tolls from users of these roads; and
- the servicing of the financial liabilities assumed by ASFINAG.

The Republic of Austria has granted ASFINAG the right to collect tolls on the high-ranking road network (pursuant to the usufruct definition according to sections 509ff ABGB (General Civil Law Code)) currently comprising 2,175 kilometres.

Changes were made by the Austrian parliament to the ASFINAG Act in October 2004 which allow ASFINAG to do business outside Austria (subject to approval of the Supervisory Board of ASFINAG). Such changes have also resulted in a budget consensus with the Ministry being based on projected profit and loss and balance sheet figures, rather than pure cost planning.

Following the restructuring of the Group in 2004 and 2005, operative tasks (construction, operation, tolling) are now primarily conducted by ASFINAG’s subsidiaries. The Group holding company (ASFINAG) is responsible for Group strategy and control as well as corporate service functions. ASFINAG International (GmbH) is responsible for infrastructure consulting.

Property management

Property Management activities generated revenues for the year ended 31 December 2011 of €31 million.

Truck toll

Since 1 January 2004, a fully-electronic toll system, applicable to motor vehicles with a maximum permitted weight of over 3.5 tonnes, has been in operation in Austria.

ASFINAG received revenues of approximately €1,062 million from the tolls on trucks and coaches in 2011.

Construction and structural maintenance

In the financial reporting period of 2011, ASFINAG's construction projects principally consisted, as in previous years, of new construction measures to close gaps in the network, network expansions, capacity increases, noise and environmental protection measures on the existing network, and finally, structural maintenance measures.

Costs for new construction and expansions amounted to €256 million for the 2011 financial reporting period, representing a 21 per cent. decrease on the previous year's figure of €324 million. The expenditure for structural maintenance of €301 million for the 2011 financial reporting period was 17 per cent. lower than the equivalent figure for 2010 (€363 million).

For 2012, ASFINAG expects investment in new constructions and expansions to be around €309 million and expenditure for structural maintenance of the existing network to be €303 million.

Operational Maintenance

In return for the right to receive the revenues generated by Austria's high-ranking road network, ASFINAG is required to maintain and operate the road network. Of the network's total length of 2,175 km, tunnels account for a total tube length of 340 km and bridges for a total length of 340 km. These are the result of the difficult topographical conditions prevailing in Austria.

Financing

Financial basis and financing sources

The main objective of ASFINAG's financing activities is ensuring sufficient liquidity in order to be able to implement the tasks assigned by its shareholder. These tasks include the expansion and maintenance, operation and efficient tolling of the high-speed road network, which can only be partially financed through operational cash flows. This explains the increase in the level of external borrowing. The optimisation of financing expenses is based on the operational core business of ASFINAG and takes account of the historical nature of the growth in the level of the company's borrowings and the advantages offered by issuing government guaranteed bonds.

In 2011, ASFINAG had a negative financial result of €444 million (2010: €411 million) mainly consisting of debt serving costs for the outstanding liabilities. Redemptions in 2011 (at nominal value) amounted to €309 million (2010: €1,431 million).

In 2012, ASFINAG issued a €1,000 million benchmark bond due 2032. ASFINAG did not issue any bonds in 2011.

As of 31 December 2011, equity amounted to €2,551 million (2010: €2,221 million). Financial liabilities (at par value without taking into account the final level of cash funds and prepaid interest) of €10,090 million (2010: €10,276 million) included short-term bank loan of €124 million. It is expected that planned construction projects will cause a further increase of net new debt within ASFINAG. Therefore, it is an integral part of the company's finance strategy to focus on a sustainable increase in revenues in order to cover interest costs, additional operational costs for new roads as well as imputed costs (obsolescence of roadways).

ASFINAG's revenues are dependent upon the right to collect tolls and road usage levies on the roads within its network granted to it by the Republic of Austria as at 1 January 1997. These tolls and levies constitute ASFINAG's principal source of revenue, supplemented by income from fines in accordance with section 100 of the Road Traffic Act (*Straßenverkehrsordnung – StVO*), by rental and lease payments, and by the granting of special usage rights. The need for any further resources is covered by raising debt from the capital markets.

Over the coming years, this Programme will continue to be ASFINAG's main source of long-term finance. In 2012, one benchmark bond was issued. The funding volume for 2013 will be around €2,000 million.

Financial duties and expenditure

As described above ASFINAG's financial requirements are comprised of expenditure for new construction (including planning), structural maintenance, operational maintenance, operation of the toll system, and the servicing and refinancing of existing liabilities.

Outstanding debt

As at 31 December 2011, the Group's total liabilities amounted to €11,786 million of which €9,557 million were long-term (i.e. exceeding one year).

The assessment of commercial risks, which are based on external market fluctuations, are calculated in the form of "Value-at-Risk" ("V@R") and "Cashflow-at-Risk" ("CF@R") figures and are regularly reported to

the company's executive bodies. Foreign currency liabilities were converted by swap contracts into EUR liabilities with floating interest rate agreements. The average residual term of ASFINAG liabilities as at 31 October 2012 is approximately 7.28 years, the modified duration is 6.05 years and the average nominal interest rate is approximately 3.76 per cent. per annum.

Recent Developments

After a sharp decline of 13 per cent. in toll revenues from trucks in 2009, the year 2010 showed an increase of 11.3 per cent., whereas in 2011 the growth rate in toll revenues from trucks was back to 3.0 per cent. in comparison with the relevant previous year. A growth of approximately four per cent. is expected in 2012.

Revenues from toll stickers and special toll sections proved to be stable even during the crisis, showing a slight increase from year to year.

In 2010, ASFINAG's construction programme was revised and now comprises investments amounting to €6.8 billion up to 2017. Construction volume in 2011 accounted for €604 million and is expected to account for €656 million in 2012. There has been no significant change in the financial or trading position of the Group since 31 December 2011 and no material adverse change in the prospects of ASFINAG since 31 December 2011.

Statutory Framework

ASFINAG is registered in the Companies Register at the Commercial Court of Vienna under number 92191a. Its activities comply with the provisions set out in the ASFINAG Act which established ASFINAG and

In addition, the Usufruct Agreement of 23 June 1997 and 25 July 1997, amended on 20 December 2007, concluded with the Republic of Austria under the Infrastructure Financing Act forms the contractual basis for the activities of ASFINAG.

TAXATION

Republic of Austria

The information provided below does not purport to be a complete summary of the tax law and practice currently applicable in the Republic of Austria. For their particular case, prospective investors should consult their own professional advisors. The following is a summary description of certain Austrian tax implications relating to the Notes held by investors that are not resident in Austria and based upon Austrian tax law currently in effect (which applies irrespective of whether payments are made by the Issuer or the Guarantor).

Interest payments

In the Republic of Austria, interest payments to non-residents (within the meaning of the respective Austrian tax law) in respect of the Notes in accordance with the terms and conditions of the Notes will be exempt from any Austrian income tax including any Austrian interest or withholding tax, as long as interest payments are made by disbursing agents located outside of Austria.

If interest payments are made by a disbursing agent located in Austria or the Issuer directly, a non-resident of Austria will, however, have to disclose his identity and foreign address and supply corroborating evidence thereof to ensure that no Austrian withholding tax, presently at 25 per cent., is deducted. In the case of individuals resident in other EU Member States, the non-resident will also have to supply a certificate of his home tax office in order to ensure that no Austrian EU withholding tax at a rate of 35 per cent. is deducted.

The holding of Notes in a clearing system has no influence on the tax treatment of the actual holder.

Principal payments

There is no Austrian withholding tax on payments of principal.

Capital gains

Holders of Notes who are non-residents of Austria are not subject to Austrian tax on capital gains derived from the sale of the Notes. If the capital gains are paid out by an Austrian paying agent or Austrian custodian, they have to be informed about the non-resident status in order to forego Austrian withholding tax.

Inheritance and gift tax

The Inheritance and Gift Tax Act was repealed by a decision of the Austrian Constitutional Court with effect as of 1 August 2008. The Austrian parliament did not enact other inheritance and gift tax provisions, but opted for an obligation to notify gifts exceeding certain amounts.

The above summary is not exhaustive. It does not take into account special considerations that may apply in a particular situation. Investors and other interested parties should obtain individual tax advice in connection with the acquisition and holding as well as the sale or repayment of the Notes.

Luxembourg

The comments below regarding withholding tax in Luxembourg are intended as a basic summary of certain tax consequences in relation to the purchase, ownership and disposition of the Notes under Luxembourg law. Persons who are in any doubt as to their tax position should consult a professional tax adviser.

Under Luxembourg tax law currently in effect and subject to the laws of 21 June 2005 and the law of 23 December 2005 as amended (for details, please see below), there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest) under the Notes or upon repayment of

principal in case of reimbursement, redemption, repurchase or exchange of the Notes, except for payments made to individual Noteholders and to residual entities (see below).

Luxembourg non-resident individuals

Under the Luxembourg laws dated 21 June 2005 implementing the European Council Directive 2003/48/ EC on the taxation of savings income (the “Savings Directive”) and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union (“EU”), a Luxembourg based paying agent (within the meaning of the Savings Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual or certain “residual entities” resident or established in another Member State or in certain EU dependent or associated territories, unless the beneficiary of the interest payments elects for the procedure of exchange of information or, in case of an individual beneficiary, for the tax certificate procedure. “Residual entities” within the meaning of Article 4.2 of the Savings Directive are entities which are not legal persons (the Finnish and Swedish companies listed in Article 4.5 of the Savings Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, that are not and have not opted to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC, as replaced by the Council Directive 2009/65/EC, or similar collective investment funds located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands).

The current withholding tax rate is 35 per cent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain third countries.

The European Commission has proposed certain amendments to the Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

Luxembourg resident individuals

A 10 per cent. withholding tax has been introduced, as from 1 January 2006, on interest payments made by Luxembourg paying agents (defined in the same way as in the Savings Directive) to Luxembourg individual residents or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC, as replaced by the Council Directive 2009/65/EC, or for the exchange of information regime) (the “10 per cent. Luxembourg Withholding Tax”).

Pursuant to the Luxembourg law of 23 December 2005 as amended by the law of 17 July 2008, Luxembourg resident individuals, acting in the course of their private wealth, can opt to self-declare and pay a 10 per cent. tax (the “10 per cent. tax”) on interest payments made after 31 December 2007 by paying agents (defined in the same way as in the Savings Directive) located in an EU Member State other than Luxembourg, a Member State of the European Economic Area or in a State or territory which has concluded an international agreement directly related to the Savings Directive.

The 10 per cent. Luxembourg Withholding Tax or the 10 per cent. tax represents the final tax liability on interest received for the Luxembourg resident individuals receiving the interest payment in the course of their private wealth and can be reduced in consideration of foreign withholding tax, based on double tax treaties concluded by Luxembourg.

Only interest accrued after 1 July 2005 falls within the scope of the withholding tax. This 10 per cent. Luxembourg Withholding Tax or 10 per cent. tax represents the final tax liability for Luxembourg individual resident taxpayers receiving the interest payment in the course of their private wealth.

EU Directive on the Taxation of Savings Income

The EU has adopted the European Council Directive 2003/48/EC implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 (the “Savings Directive”). The Savings Directive requires Member States to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person to an individual or to certain other persons in another Member State, except that Luxembourg and Austria may instead impose a withholding system for a transitional period unless during such period they elect otherwise (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld). A number of third countries and territories including Switzerland have adopted similar measures to the Savings Directive.

Austria implemented the Savings Directive into Austrian law by the “EU Withholding Tax Act”.

Luxembourg implemented the Savings Directive into Luxembourg law by a law dated 21 June 2005 (as further detailed in the section regarding Luxembourg taxation under the heading “Luxembourg non-resident individuals”).

The European Commission has proposed certain amendments to the Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

SUBSCRIPTION AND SALE

Dealer Agreement

Subject to the terms and on the conditions contained in an Amended and Restated Dealer Agreement dated 19 March 2013 (as supplemented or amended from time to time, the “Dealer Agreement”) between the Issuer, the Permanent Dealers and the Arrangers, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arrangers for their expenses incurred in connection with the establishment of the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

United States

The Notes have not been and will not be registered under the Securities Act, as amended and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Notes in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a U.S. person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code and regulations thereunder.

Each Dealer has represented and agreed that, and each further Dealer appointed under the Programme will be required to represent and agree that, except as permitted by the Dealer Agreement, it has not offered, sold or delivered and will not offer, sell or deliver the Notes of any identifiable Tranche, (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of such Tranche as determined, and certified to the Issuer, by the Fiscal Agent or, in the case of Notes issued on a syndicated basis, the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons.

In addition, until 40 days after the commencement of the offering, an offer or sale of Notes within the United States by any Dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

Public Offer Selling Restriction Under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “Relevant Member State”), each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “Relevant Implementation Date”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive; or
- (b) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (a) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive (or Section 6 CMA respectively).

For the purposes of this provision, the expression “an offer of Notes to the public” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “Prospectus Directive” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in each Relevant Member State, and the expression “2010 PD Amending Directive” means Directive 2010/73/EU.

of the

REPUBLIC OF AUSTRIA

(the "Guarantor")

relating to

€12,000,000,000

Guaranteed Euro Medium Term Note Programme

guaranteed by the

Republic of Austria

BINDER GRÖSSWANG

This Master Guarantee (the “**Master Guarantee**”) is made on 19 March 2013 by the Republic of Austria (the “**Guarantor**”) in favour of each Noteholder (as defined below) and each Relevant Account Holder (as defined in the Deed of Covenant referred to below):

Whereas

- A. Autobahnen- und Schnellstraßen-Finanzierungs-Aktiengesellschaft (the “**Issuer**”) proposes to issue from time to time euro medium term notes under its €12,000,000,000 Guaranteed Euro Medium Term Note Programme (the “**Programme**”) guaranteed by the Guarantor (the “**Notes**”, which expression shall, if the context so admits, include the 2013 Notes (as defined below), bearer notes (“**Bearer Notes**”) and registered notes (“**Registered Notes**”) and global notes (in temporary or permanent form) to be initially delivered in respect of Notes and any related coupons and talons.
- B. This Master Guarantee is in respect of (i) Notes (the “**2013 Notes**”) issued under the Programme from and including 1 January 2013 up to and including 31 December 2013, and (ii) amounts payable by the Issuer under the Deed of Covenant dated 19 March 2013 relating to the Programme (the “**Deed of Covenant**”) and relating to Entries (as defined in the Deed of Covenant) in respect of the 2013 Notes, in relation to which the Guarantor confirmed in writing to Deutsche Bank AG, London Branch in its capacity as fiscal agent (or the respective successor fiscal agent) that its obligations under this Master Guarantee in respect of such Notes do not exceed the Guarantee Allowance (as defined below) for the year ended 31 December 2013 (the “**Guarantee Certificate**”).
- C. This Master Guarantee is subject to and limited by a maximum threshold (the “**Guarantee Allowance**”) as authorised in relation to the 2013 Notes, by the Austrian Budget Act for 2013 (*Bundesfinanzgesetz 2013*), Federal Law Gazette I No. 103/2012 (the “**Budget Act**”). The euro equivalent amount of the Guarantee Allowance is applicable to obligations issued in other currencies as set out in the Act on Federal Budgets 2013 (*Bundeshaushaltsgesetz 2013*), Federal Law Gazette I No. 139/2009 as amended (the “**Act on Federal Budgets**”).
- D. Notes shall only be issued under the Programme in circumstances (i) where the Guarantor’s obligations under this Master Guarantee in respect of such Notes shall not exceed the Guarantee Allowance for the year ended 31 December 2013, (ii) where the 2013 Notes issued under the Programme shall benefit from this Master Guarantee in accordance with the provisions of the Budget Act and the Act on Federal Budgets and (iii) where the Guarantor issued a Guarantee Certificate.
- E. The Guarantor wishes to grant this Master Guarantee on the terms set out below in favour of the Noteholders.

1. Guarantee by the Republic of Austria

- 1.1. According to Article II Sec 5 ASFINAG Act (*ASFINAG-Gesetz*), Federal Law Gazette No. 591/1982, as amended, and the Budget Act, the Guarantor hereby irrevocably unconditionally guarantees pursuant to section 880a second half-sentence of the Austrian Civil Code (*Allgemeines Bürgerliches Gesetzbuch*)

for the benefit of each holder of the 2013 Notes, each holder of the interest coupons (the "Coupons") appertaining thereto (together, the "Noteholders") and each Relevant Account Holder (for so long as the same has Direct Rights (as defined under the Deed of Covenant)) the due and punctual payment of

- (a) all amounts payable by the Issuer in respect of the 2013 Notes and such Coupons, and
- (b) all amounts payable by the Issuer under the Deed of Covenant relating to Entries in respect of the 2013 Notes

when and as the same shall become due and payable, whether at maturity, upon redemption or otherwise, according to the terms thereof (the "Guaranteed Obligations"), it being agreed that Notes shall only be issued under the Programme and that this Master Guarantee is only effective in circumstances where (i) the Guarantor's obligations hereunder shall not exceed the Guarantee Allowance for the year ended 31 December 2013, (ii) where the 2013 Notes issued under the Programme shall benefit hereunder in accordance with the provisions of the Budget Act and the Act on Federal Budgets and (iii) where the Guarantor issued a Guarantee Certificate prior to the closing date of the Notes issue, as any amounts of principal or interest exceeding the Guarantee Allowance will not be guaranteed.

- 1.2. In the case of default by the Issuer in the punctual payment of all or any part of the Guaranteed Obligations, the Guarantor hereby agrees to pay or to cause to be paid the amount or amounts in respect of which such default has been made punctually when and as the same shall become due and payable, whether at maturity, upon redemption or otherwise, and as if such payment were made by the Issuer.
- 1.3. The Guarantor hereby agrees that its obligations hereunder shall be unconditional and irrevocable, irrespective of the recovery of any judgment against the Issuer or any action to enforce the same, any consolidation, merger, conveyance or transfer by the Issuer or any other circumstance (including, but not limited to, any change in the constitution, legal structure or powers of the Issuer) which might otherwise constitute a legal or equitable discharge or defence of a guarantor. The Guarantor hereby waives, with respect to the Guaranteed Obligations, or the indebtedness evidenced thereby, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require proceedings first against the Issuer, protest, notice and all demands whatsoever and covenants that this Master Guarantee will not be discharged except by complete performance of the Guaranteed Obligations.
- 1.4. This Master Guarantee constitutes the direct, unconditional, irrevocable and unsecured obligation of the Guarantor and ranks *pari passu* with all other loan or bond indebtedness of the Republic of Austria resulting from financial debts.
- 1.5. The Guarantor represents, warrants and agrees that the execution, delivery and performance of this Guarantee by the Guarantor constitutes a private and commercial act rather than a public or governmental act. Under the laws of the Republic of Austria, neither the Guarantor nor any of its property has any immunity from jurisdiction of any court or from set-off or any legal process (whether through service or notice, attachment prior to judgment, attachment in aid of execution, execution or

otherwise), except for property used for the purposes of a diplomatic mission. The waivers of immunity by the Guarantor contained in this Guarantee, the consent by the Guarantor to the jurisdiction of the courts specified in this Guarantee, and the provisions that the laws of Austria shall govern this Guarantee are irrevocably binding on the Guarantor.

2. Benefit of the Master Guarantee

This Master Guarantee constitutes a contract in favour of the respective Noteholders as third party beneficiaries (*Vertrag zugunsten Dritter*) giving rise to the right of each such Noteholder to require performance of the obligations assumed hereby directly from the Guarantor and to enforce such obligations directly against the Guarantor. Each Noteholder may enforce its claims under this Master Guarantee directly in legal actions or proceedings against the Guarantor without being required to institute legal actions or proceedings against the Issuer first.

3. Taxation

All payments by the Guarantor in implementation of this Master Guarantee will be made without deduction for or on account of any present or future taxes or duties of whatsoever nature imposed or levied within the Republic of Austria or any province, municipality or other political subdivision or taxing authority therein or thereof, unless the deduction of such taxes or duties is required by law. In that event, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts received by the holders of the Notes and Coupons and the Relevant Accountholders under the Deed of Covenant after such deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the relevant Notes and Coupons and the Relevant Accountholders under the Deed of Covenant, as the case may be, in the absence of such deduction, except that no such additional amounts shall be payable with respect to:

- (a) Bearer Notes or Coupons presented for payment:
 - (i) in the Republic of Austria; or
 - (ii) where such deduction would not be required if the holder or any person acting on his behalf had presented the requested form or certificate or had made the requested declaration of non-residence or similar claim for exemption upon the presentation or making of which that holder would have been able to avoid such deduction; or
 - (iii) by or on behalf of a holder who is liable to such taxes or duties in respect of such Bearer Notes or Coupons by reason of his having some connection with the Republic of Austria other than the mere holding of such Bearer Note or Coupon; or
 - (iv) more than 30 days after the Relevant Date (as defined in the terms and conditions endorsed) except to the extent that the holder thereof would have been entitled to additional amounts on presenting the same for payment on the expiry of such period of 30 days; or

- (v) where such deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of ECOFIN council meeting of 26-27 November 2000 on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (vi) by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the Bearer Notes or Coupons to another Paying Agent in a Member State of the European Union.
- (b) Registered Notes:
- (i) if the Certificate (as defined in the terms and conditions) in respect of such Registered Note is required to be surrendered and is surrendered in the Republic of Austria; or
 - (ii) where such deduction would not be required if the holder or any person acting on his behalf had presented the requested form or Certificate or had made the requested declaration of non-residence or similar claim for exemption upon the presentation or making of which that holder would have been able to avoid such deduction; or
 - (iii) to a holder (or to a third party on behalf of a holder) where such holder is liable to such taxes or duties in respect of such Registered Note by reason of his having some connection with the Republic of Austria, other than the mere holding of such Registered Note or the receipt of the relevant payment in respect thereof; or
 - (iv) if the Certificate in respect of such Registered Note is required to be surrendered and is surrendered more than 30 days after the Relevant Date except to the extent that the holder thereof would have been entitled to additional amounts on presenting the same for payment on the expiry of such period of 30 days; or
 - (v) where such deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of ECOFIN council meeting of 26-27 November 2000 on the taxation of savings or any law implementing or complying with, or introduced in order to conform to, such Directive.
- (c) a Relevant Account Holder under the Deed of Covenant:
- (i) where such deduction would not be required if the Relevant Account Holder or any person acting on his behalf had presented the requested form or certificate or had made the requested declaration of non-residence or similar claim for exemption upon the presentation or making of which that Relevant Account Holder would have been able to avoid such deduction; or
 - (ii) who is subject to such taxes or duties, by reason of his having some connection with the Republic of Austria other than merely having the relevant Entry credited to his Securities Account (as defined in the Deed of Covenant).

4. Governing Law and Jurisdiction

- 4.1. This Master Guarantee shall be governed by and construed in accordance with Austrian law.
- 4.2. The Guarantor irrevocably and unconditionally submits to the jurisdiction of the competent courts of the Republic of Austria (being at the date hereof the courts of Vienna) for all purposes in connection with this Master Guarantee provided that such submission shall not prevent any such proceedings being taken in any other competent courts.
- 4.3. To the extent that it is legally able to do so, the Guarantor hereby waives irrevocably any immunity to which it might otherwise be entitled in proceedings brought before such courts and hereby consents generally in respect of any proceedings arising out of or in connection with this Master Guarantee to the giving of any relief or the issue of any process in the competent courts of the Republic of Austria in connection with such proceedings including, without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use except for certain minor property such as the equipment of embassies) of any judgment which may be given in such proceedings.

In witness whereof the Guarantor has caused this Master Guarantee to be duly executed the day and year first above mentioned.
